

## **FM POLICY**

At PSIPL, we focus on customer satisfaction and excellence in facility management service standards through continual improvement of system driven processes and consistent services.

All employees are expected to be committed and involved in FM activities.

At PROPERTY SOLUTIONS INDIA PVT LTD we are committed to

- Monitor and continually improve the quality of our Services.
- Identify risks analyze their impact in FM performance and implement controls to reduce risk.
- Comply with applicable legislation and regulations in the locations where we operate.

The Management Team will review the policy annually.

MR will make the FM Policy available to the interested parties upon request.

The policy will be communicated to all PSIPL employees through training events and display.
